

How to Set Your Payment to Auto Renew

1. Log In using your registered email address and password

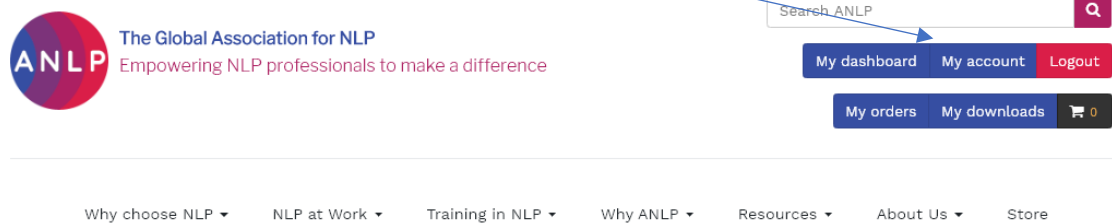

Login to your account

The screenshot shows a "Login" form with the following fields and options:

- Email address: Kall@example.com
- Password: [masked with dots]
- Remember me
- Forgot your password? (link)
- Login (button)

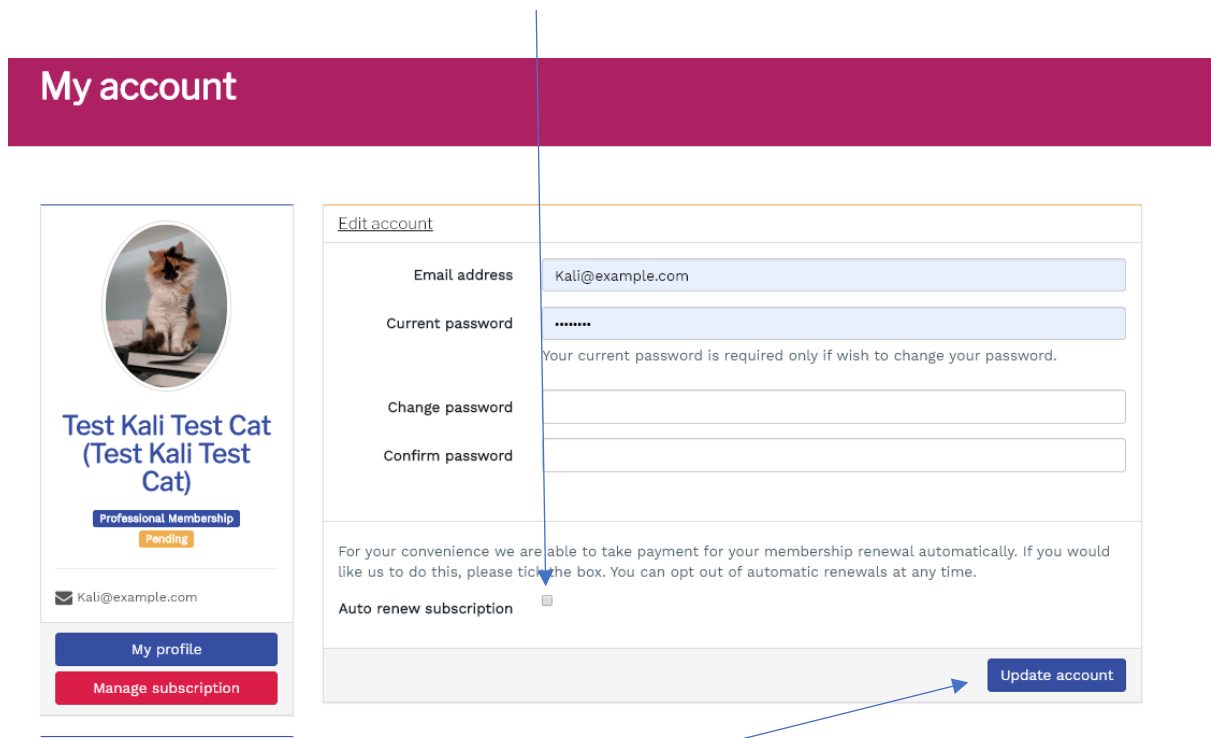

[I don't have an account](#)

2. Select 'My Account'

How to Set Your Payment to Auto Renew

3. Tick the box to auto renew subscription

The screenshot shows a user interface for editing an account. On the left is a profile card for 'Test Kali Test Cat' with a 'Pending' membership status. The main area is titled 'Edit account' and contains several input fields: 'Email address' (Kali@example.com), 'Current password' (masked with dots), 'Change password', and 'Confirm password'. Below these fields is a checkbox for 'Auto renew subscription' which is checked. A blue arrow points from the checkbox to the 'Update account' button at the bottom right of the form. Another blue arrow points from the 'Auto renew subscription' checkbox to the text above it.

Confirm password

For your convenience we are able to take payment for your membership renewal automatically. If you would like us to do this, please tick the box. You can opt out of automatic renewals at any time.

Auto renew subscription

Update account

4. Click 'Update Account'

Your subscription is now set to auto renew which means it will renew automatically each year without you having to do anything. You will get a courtesy reminder before payment is taken.
